

Hi, my name is Piero Larrea.

**I was only 23 when I died on Saturday 29 October 2011 between
4am and 8am.**

The police think I was hit by a vehicle on the I-10 close to Irish Bayou, but do not yet know what happened exactly. Nor do they know who was driving the vehicle.

My mother Cecilia and brother Miguel need to know what happened to me that night. Can you please help them?

Please call Crimestoppers Greater New Orleans on

1-504-822-1111 or 1-877-903-STOP

there is a reward for information leading to the arrest of the person responsible.

Please continue to spread this email to all your family and friends. Together we can help my mom and brother find him/her.
