## Operation Safe Summer Fugitive Round Up Starts Sunday, July 17<sup>th</sup>

*A Partnership between Crimestoppers, NOPD, U.S. Marshals, JPSO, Kenner PD,  
LA Probation and Parole and Orleans Parish Sheriff's department*

An advertisement will appear in the Metro Section of this Sunday's **Times-Picayune** – July 17<sup>th</sup> featuring photos of over 75 wanted suspects from the Greater New Orleans area starting the week-long fugitive round up. The suspects featured are wanted for multiple crimes.

Crimestoppers will pay a \$500 reward upon the arrest of the suspect to tipsters who can remain permanently anonymous and who call Crimestoppers directly on the location of the suspect. Rewards will be paid out within a week after the arrest of the suspect. This reward differs than the usual payment of rewards in that the rewards usually are paid upon the arrest and indictment of the suspect. The **Operation Safe Summer Fugitive** spread will also appear on our Web site at [www.crimestoppersgno.org](http://www.crimestoppersgno.org). Crimestoppers requests all media outlets to please consider posting the link on your site to [www.crimestoppersgno.org](http://www.crimestoppersgno.org) where citizens can view the Fugitive Ad.

The fugitive round up will be completed over an approximate one week operation. Taskforce teams from the U.S. Marshals and local law enforcement will be conducting the operation starting Sunday morning.

Anyone with information on the location of a suspect are urged to contact **CRIMESTOPPERS** directly at (504) 822-1111 or 1 (877) 903-STOP.
