**A Message of Support for the 2027 Crimestoppers Annual Awards Luncheon**

Good afternoon, distinguished guests, community leaders, members of Crimestoppers, law enforcement partners, and honorees.

It is an honor to extend my sincere congratulations and support to Crimestoppers on the occasion of its Annual Awards Luncheon.

Crimestoppers plays a vital role in promoting public safety by empowering citizens to come forward with information that helps solve crimes, hold offenders accountable, and bring justice to victims. Its commitment to protecting our communities demonstrates the powerful impact that can be achieved when law enforcement and the public work together toward a common goal.

As Superintendent of Police, I recognize that effective policing extends beyond the efforts of law enforcement alone. Building safer communities requires trust, cooperation, and meaningful partnerships with the people we serve. Crimestoppers exemplifies this partnership by providing a valuable avenue for citizens to share information, often anonymously, and contribute to the safety and well-being of our neighborhoods.

Today, we proudly recognize individuals and organizations whose courage, dedication, and service have made a lasting difference. Your contributions remind us that every act of service matters and that community involvement remains one of our greatest strengths in the fight against crime.

On behalf of New Orleans Police Department, I commend Crimestoppers for its continued commitment to public safety and reaffirm our support for its mission. Together, through collaboration, accountability, and a shared sense of responsibility, we can continue to build a safer and stronger community for generations to come.

Congratulations to all of today's award recipients, and thank you to the Crimestoppers leadership, supporters and volunteers for your unwavering dedication to this important work.

I wish you a successful and memorable Annual Awards Luncheon.

Respectfully,

Anne E. Kirkpatrick, Superintendent  
New Orleans Police Department
